Earlier this year I had a case in front of your court,
(CAUSE NO. A-09-CV-107-LY).

I complain to the lawyers lying and falling false and misleading documents.
You took no action against these attorneys.

I am curious have you ever had attorney lied to you?

Have you ever reprimand the attorney for lying?

Have you ever convicted someone of lying to the government?

Why are lawyers treated with special privileges?

Our lawyers above the law?

Does the law applied to lawyers as well as common people?

I am making a documentary about my experience with the legal system. Would
you or do you have someone who can appear on camera and answer these
questions?

I thank you for your time and consideration.

Sincerely yours
